ALWAYS UNDERSTOOD.

A fact often overlooked, or not always understood, is that women suffer as much from distressing kidney and bladder frombles as the men. The womb is situated back of and very close to the bladder, and for that reason any distress, clisease or inconvenience manifested in the kidneys, back, bladder or uninary passage is often, by mistake, attributed to female weatness or womb trouble of some sort.

The error is easily made and may be as easily avoided by setting urine aside for twenty-four hours; a sediment or settling is evidence that your kidneys and bladder need doctoring. If you have pain or dull aching in the back, pass water too frequently, or seartly supply, with smarting or burning—these are convincing proofs of kidney trouble. If you have doctored without benefit, try Dr. Kilmer's Swamp-Roct, the great kidney remedy. The mild and the extraordinary effect will surprise you. It stands the highest for its wonderful cures. If you take a medicine you should take the best. At druggists affity cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention The The Sunday Virginian and send your address to Dr. Kilmer & Co., Binghapton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Some Surprises for You.

We want to show you a kind of Clothing that you won't find in another store in Norfolk.

Better than perhaps some of you have any idea is made-up-

It's the kind that you would credit to the custom tailors. The kind you'd think would cost twice as much as it will. The kind the most particular dresser will find satisfactory. Full of fashion's whims full of quality—full of bestness—'til there's no room for fault-finding.

We've got these up-to-date exclusive styles in Suits and Overcoats

because we make them ourselves. Our work-rooms are manned by the eleverest talent in the country.

We have brought fit down to the fine point of perfection. We import direct from the looms the latest weaves—in newest patterns.

THERE POSITIVELY CAN BE NOTHING BETTER THAN THE GARMENTS WE TURN OUT.

And all this fineness is in our grades from \$15 to \$35. We're not talking to your purses—but to your judgment.

We're not talking a saving in money—but an increase in the quality and satisfaction that money will buy. We win patronage by deserving it. "If you want the best-go to Saks'."
